#### 7434 - USE OF TOBACCO ON SCHOOL PREMISES

The Board of Education is committed to providing students, staff, and visitors with a tobacco-free environment. The negative health effects of tobacco use for both users and nonusers, particularly in connection with second hand smoke, are well established. Further, providing a tobacco-free environment is consistent with the role-modeling responsibilities of teachers and staff to our students.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, any other matter or substances that contain tobacco, in addition to papers used to roll cigarettes and other lighted smoking devices for burning tobacco or any other plant.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board does not condone the use of tobacco, the Board prohibits the use of tobacco within any enclosed facility owned or leased or contracted for by the Board, and in the areas directly or indirectly under the control of the Board immediately adjacent to locations of ingress or egress to such facilities. This prohibition extends to any board-owned and/or operated vehicles used to transport students and to all other Board-owned and/or operated vehicles.

Such prohibition also applies to school grounds and/or any school-related event and in designated areas as defined in statute and by Ohio's Smoke-Free Workplace Program.

The Superintendent shall require the posting of signs as required by R.C. 3794.06 and as specified by the Ohio Department of Health.
